

## Math Action Words-

## CUBES Problem Solving Model

ADDITION	SUBTRACTION
How many in all?	How many more?
Total	How much more?
Altogether	Left
Together	Decrease
Join	Take away
Increase	Minus
Combined	Difference
Both	Less than
Plus	Remains
Sum	Reduce
Add	
Multiplication	Division
Multiplication  Product of	<b>Division</b> Every
Product of	Every
Product of Multiplied by	Every Cut
Product of Multiplied by Times	Every Cut Split
Product of Multiplied by Times As much	Every Cut Split Out of
Product of Multiplied by Times As much Twice	Every Cut Split Out of Evenly
Product of Multiplied by Times As much Twice Doubled/ tripled	Every Cut Split Out of Evenly Average
Product of Multiplied by Times As much Twice Doubled/ tripled	Every Cut Split Out of Evenly Average Shared
Product of Multiplied by Times As much Twice Doubled/ tripled	Every Cut Split Out of Evenly Average Shared Equal parts
Product of Multiplied by Times As much Twice Doubled/ tripled	Every Cut Split Out of Evenly Average Shared Equal parts Ration
